## ALL THINGS DIGITAL

**WIN A BRAND-NEW LAPTOP & Much More!**

Any Adult, having little to no computer skills, can improve their digital skills, digital literacy & digital finances through these hands-on “FREE” workshops in public computer labs, with access to working on laptops with wi-fi connectivity, through a series of interactive workshops that cover a variety of interactive topics & activities:

- **DIGITAL SKILLS:** navigate desktop, connect to the internet, secure passwords, Microsoft/Google suites
- **DIGITAL FINANCES:** online banking, information sharing, online shopping, online credit
- **DIGITAL COMMUNICATIONS:** account setup, send emails, download attachments, apply for jobs
- **DIGITAL SECURITY:** identity theft, phishing, fraud, scams, how to file a report
- **DIGITAL SAFETY:** accessing content, navigating sites, secure google searches, digital footprint online

**NO DIGITAL SKILLS OR COMPUTERS NEEDED TO ATTEND!**
